

the

MASTERWHEEL

of the Rotary Club of Zanesville

February 14, 2017

Edited by Rick Sabine

Photos by Everett Jackson

Past President Paul McClelland conducted the meeting and led the Pledge of Allegiance.

Pete Peterson gave the invocation.

Introduction of Guests:

Jennifer Spillman, Director of the Muskingum County Library System - guest of Don Mason; Clifton Martin, Extension Educator, Agriculture and Natural Resources at the Muskingum County Ohio State Extension Office - guest of Kelly Ashby and Jenni Masterson, Executive Director of Big Brothers - Big Sisters - guest of Molly Crooks and Krysta Berfield.

News at Noon with George Hiotis:

George brought us up to date on the news and ended with a 3.6 joke on the 5.0 Joke Meter. Thanks George!

Sergeant-at-Arms:

Tori Thomas levied fines for any Rotarian not wearing red, pink or purple for Valentine's Day. The Whoop It Up bucket was brought out and several members made monetary contributions to brag a little. That money supports local feed the hungry projects.

Announcements:

- Krysta Berkfield, chairperson of the annual John Imlay Rotary Rose Sale handed out this year's "tip sheet" for the upcoming rose sale from March 14 to 29. Rose sales information was also emailed to members.

Program:

Debra J. Nye, Muskingum County Auditor explained the revaluation process required every six years by Ohio law that is currently being conducted on all Muskingum County Real Estate for the 2018 tax year. These new values will be reflected on your real property tax bill payable in 2019. The revaluation process traditionally involved data collectors visiting

each parcel in the county to verify property information with the owner.

Now with modern technology and the knowledge you possess of your property, this process can be more accurate, efficient and less intrusive. The revaluation process involves using aerial photographs and land based photographers visiting each improved parcel and capturing images of each improvement thereon. These photographs, in conjunction with information regarding attributes and amenities of your property and its improvements, will allow the revaluation process to commence and conclude in the most efficient, precise and non-invasive way possible.

Conducting an accurate and fair revaluation can only occur by ensuring the information and data pertaining to each parcel is correct.

This is where your participation is invaluable, you will or already have received a property card in the mail, please review this information carefully as this data will be used to update your property record. Please mark your corrections clearly, should any change need to be made, and if applicable, verify the number of outbuildings.

You may include additional information, explanations, exhibits, sketches or pictures you deem helpful in understanding your property.

There are over 68,000 parcels of land in Muskingum County with a total value of approximately 1.6 billion dollars.

Next week's program:
To be announced

Weekly Catch:
Rick Sabine won the \$11 Weekly Catch, but failed to find the dime for the \$351 jackpot.

Today's Quote:
"Friendship is not something you learn in school, but if you haven't learned the meaning of friendship, you really haven't learned anything." Muhammad Ali

Paul reminded us of this year's Presidential Theme: "Rotary Serving Humanity" He then closed the meeting by reciting The Rotary Four Way Test and saluting the flag.
